

Story of the Month

While most of us can't recall our very first Easter, here at OMH, we have the special privilege of witnessing many children experience theirs for the first time.

This year, one of our incredible Case Managers, Molly, went above and beyond by planning our Easter celebration.

Not only did she organize the entire event, but she also generously offered

to take photos for the moms—many of whom wouldn't be able to afford professional pictures otherwise.

Molly's kindness and dedication are just a few of the many reasons we're so grateful to have her on our team.

What's New?

Our mentorship program is growing, but we're still looking for more mentors to support our moms.

If you're interested in becoming a mentor, please reach out to Aniko at 941-485-6264 ext. 1505.

Clients On The Move

In April, two of our moms successfully moved out and are stepping into exciting

new chapters of their lives. Both moms made incredible progress, we are so proud of them and wish them continued success and happiness on their journeys. We are preparing their apartments for new candidates.

Updates

Fundraising

We recently held two wonderful mini fundraisers—Corks for a Cause at Farfelu Wine Bar, hosted by the amazing Sassy Sisters, and a Sip and Shop event at Sara Campbell. A heartfelt thank you to everyone who attended and supported our mission!

We're also grateful to have been awarded two generous grants—one from the Plantation Community Foundation and another from the Venice Golf and Country Club. These contributions help us continue to provide vital support to the moms and children at Our Mother's House.

Volunteer Corner

At Our Mother's House, we are always on the lookout for volunteers to help with beautifying our grounds. This month, we were incredibly blessed to welcome two amazing groups who made a big impact.

On April 14th, we hosted two 6th grade classes from St. Martha's Catholic School. The students worked hard—spreading 250 bags of mulch, cleaning windows, and sorting baby clothes. Many shared that it was the hardest they've ever worked, and quite a few went home with a new life skill: how to properly clean a window (an underrated but very useful talent!).

We're so grateful for the time, energy, and heart each volunteer brought to Our Mother's House.
