## A MOTHER'S JOURNEY OF TRANSFORMATION

### FROM THE DIRECTOR'S DESK

We know many families in our community are in need, and we are especially grateful for the kindness and generosity extended to Our Mother's House, even as so many others are seeking support.

*Celia Kane*

Every contribution of essentials brings comfort and hope to the mothers and children at Our Mother's House.

When Jamie arrived at Our Mother's House with her newborn son, she carried little more than hope. Determined to build a better future, she sought stability, freedom, and a fresh start after facing legal challenges.

**“***I needed someone to give me a chance to better our life and that's what OMH did.”*  
—Jamie

With the support of the OMH team, she rebuilt her life—one step at a time. Her commitment to sobriety and her strong work ethic led her to start her own residential cleaning business while still in the program.

Through perseverance, she completed every goal, fulfilled her legal obligations, and was released from probation.

Her savings grew, her confidence blossomed, and last week she proudly graduated from Our Mother's House.

Now living independently with her son, she embodies what's possible when strength, hope, and community come together—turning dreams of stability into reality.

### COMMUNITY CONNECTIONS

**Venice Diocesan Council of Catholic Women**  
Organized a “Baby Shower” at Our Lady of Lourdes to benefit both OMH and other local pregnancy centers. We are so grateful for all the generous donations!

### VOLUNTEER SPOTLIGHT

**NATALIE LI**

This month, we're thrilled to spotlight Natalie, one of our newest volunteers at Our Mother's House!

She's been sharing her time and talents by helping our mothers build budgeting skills and strengthen their resumes as they work toward independence and stability.

**Wine Tasting & Auction**  
Feb 26th  
Plantation Golf & Country Club
